DETAILED ACTION

Allowable Subject Matter

1. Claims 1-14 are allowed.
2. The following is an examiner's statement of reasons for allowance: the record of prior art does not show an electrical armature or a method of winding an electrical armature comprised of coil windings on adjacent of pole teeth being wound such that the radial extent of the windings relative to an axis of the respective pole tooth is not the same at all positions along the length of the pole tooth axis and the radially outermost winding of at least one of the adjacent pole teeth extends across an axially extending plane positioned equidistant between the adjacent pole teeth as recited in claims 1 and 10, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
